Raw Milk: State Legislation 2017

June 2017
National Conference of State Legislatures
National Conference of State Legislatures

- Bipartisan organization, funded by state legislatures
- Serves the 7,383 legislators and 30,000+ legislative staff of the nation's 50 states, its commonwealths and territories (and Scotland)
- Covers every topic of state policy
  - State fiscal policy (appropriations and taxation)
  - State legislative management
- Activities:
  - Research and information on topics of interest to the states
  - Technical assistance and training
  - Opportunities for policymakers to exchange ideas
  - Lobbying at the federal level for states' interests
Food Safety

- NCSL tracks food safety laws and legislation in all 50 states, Washington, DC, and Puerto Rico.
- Topics covered range from safe food handling practices to the production and sale of raw milk.
2017 Raw Milk Legislation
Raw Milk State Law

- States that permit the sale of raw milk in retail stores
- States that allow the sale of raw milk at farmers' markets, etc.
- States that allow the sale of raw milk on the farm.
- States that permit cow-share programs
- States that only allow the sale of raw goat milk
Shared Animal Ownership Agreements to Consume Raw Milk

Relates to shared animal ownership agreements to consume raw milk, requires animal ownership agreement to be signed, executed and be filed with the Commissioner of Agriculture, requires the herd seller to meet the animal health requirements for milk-producing, **prohibits sale of raw milk**

Rep. Scott Cadle, sponsor of the bill, celebrated by providing fellow legislators with raw milk, many who fell ill a short time later
Raw Milk Legislation 2017

- Hawaii saw 6 bills seeking to permit the sale of raw milk
- Massachusetts H 2938; S 442 would allow licensed raw milk farmers to deliver raw milk directly to consumers
- Mississippi H 16 would allow cow-share program
- Montana S 300 would require signage at retail stands warning about the dangers of raw milk
- North Carolina H 259 would allow for a cow-share program
- New Jersey A 696; S 1414 would permit sale of raw milk
- NY A 2552 would allow a cow-share program
- RI S 247 specified requirements for a raw milk consumer sales program
- Texas H 57; S 95 would regulate the sale of raw milk
Raw Milk 2017 – MT S 300 (failed)

Requires a 1 foot by 2 foot sign at point of sale stating:

“Research has found raw milk and raw milk products from cows, goats, and sheep can transmit life-threatening bacterial infections. Pediatric physicians PHYSICIANS advise ELDERLY AND IMMUNOCOMPROMISED INDIVIDUALS, pregnant women, infants, and children to consume only pasteurized milk, cheese, and other milk products.”
“For goodness sakes, if you’re allowed to go smoke a cigarette and buy a pack of cigarettes, you certainly ought to be allowed to buy raw milk”

Congressman Jared Polis, CO
“If you’re not at the table, you’re on the menu”

North Dakota Agriculture Commissioner
